Después de muchos años de experiencia acompañándote en tu día a día con nuestras mochilas y complementos, decidimos aventurarnos y hacer cosas nuevas para seguir a vuestro lado y ahí nació el proyecto Tandem 365, un proyecto con el objetivo de mostrar nuestro compromiso de ayudar y mejorar el medioambiente con un objeto tan cotidiano como es una botella. Tras un largo periodo de análisis, testeo y estudio, hemos logrado sacar al mercado una colección de botellas y complementos de los que nos sentimos muy orgullosos.

After many years of experience next to you with our backpacks and accessories, we decided to adventure and do new things to continue being at your side and that is where the Tandem 365 project was born, a project with the aim to showing you our commitment to help and improve the environment with such an everyday object as a bottle. After a long period of analysis, testing and study, we have managed to bring to the market a collection of bottles and accessories of which we are very proud.
